D F#m G D
I wait by the fire as the daylight slips away,
G D A A7
Knowing you'll be walking through the door;
D F#m G D
With a smile in your eyes that says you're coming home to stay,
G D A D
And you'll take me in your arms once more.

D F#m G D
And we'll waltz again as partners to each melody life plays,
G D Bm A
For our hearts are bound together for al - ways;
D F#m G D
Love is the music that keeps us dancing all our days,
G D A D
As we turn and step in time across the floor.

Bridge:

D A G D
One heart can't dance alone forever;
D A G D
One heart beats faintly on its own;
D A G D
Two hearts cre - ate the dance together
G D A A7
Then waltz into the future as one....
